

FEP Heat Shrink Tubing

Kable Kontrol® FEP Heat Shrink Tubing is a medical grade tubing engineered from high-purity fluorinated ethylene propylene. This specialized material offers superior transparency and exceptional heat resistance. Its clarity and glossy finish make it ideal for applications requiring visual monitoring or aesthetic presentation.

- Material: Fluorinated Ethylene Propylene
- Operating Temperature Range : -85°F to 392°F
- Rated for 600V
- Transparent in color
- RoHS Compliant
- ISO 10993-1 Compliant
- Suitable for EtO and GAMMA Sterilization
- Biocompatible and physiologically inert

1.3:1 Shrink Ratio

SKU	Inside Diameter	Color	Sizing (ft)
HS13-FEP-037-4-CL	1/4"	CLEAR	4'
HS13-FEP-050-4-CL	3/8"	CLEAR	4'
HS13-FEP-075-4-CL	1/2"	CLEAR	4'
HS13-FEP-100-4-CL	3/4"	CLEAR	4'

1.6:1 Shrink Ratio

SKU	Inside Diameter	Color	Sizing (ft)
HS16-FEP-025-4-CL	1/4"	CLEAR	4'
HS16-FEP-037-4-CL	3/8"	CLEAR	4'
HS16-FEP-050-4-CL	1/2"	CLEAR	4'
HS16-FEP-075-4-CL	3/4"	CLEAR	4'
