

HOOK & LOOP FASTENERS

Hook and loop fasteners are versatile solutions for bundling, organizing, and securing cables or other items. Easy to use and reusable, they provide a cost-effective alternative to single-use fasteners. Perfect for home, office, or industrial applications, these fasteners are gentle on surfaces and ideal for managing cords, keeping items neatly secured.

MT7147

All Kable Kontrol® Hook, Loop Fasteners are manufactured to the highest quality standard. This is to ensure the highest quality of products for our customers.

Hook & Loop Fasteners

MT7147

Available in various sizes and styles. Hook & Loop can handle a wide range of projects with ease. Simplify your organization needs with our durable hook and loop fastener tape and wraps.

Hook & Loop Fastener wraps are available in a variety of colors for your color coding needs.

Hook & Loop Fasteners

Kable Kontrol® Hook & Loop Products are flexible for many diverse cable management applications. Due to the hook and loop tape's reusable design, you can pull apart the tape and reuse it multiple times. This allows you to use only the correct amount of wrap for each project.

Fastener Tape
